AREA OF INTEREST

West Dallas an area of Dallas defined by the Trinity River on the east and north, the Trinity's West Fork on the west, and I-30 on the south.

ORGANIZATION

One of the few all-volunteer chambers of commerce in the Dallas/Fort Worth metropolitan area, the West Dallas Chamber of Commerce is led by a 15-member board of directors. OPPORTUNITY

After decades of being overlooked by City of Dallas development and planning, the Trinity River Corridor Project has changed the future of West Dallas. With its four miles of Trinity River "shoreline," West Dallas is the residential and commercial area of Dallas best positioned to benefit from the Project - the largest urban development undertaking in the history of the city.

Components of the Trinity River Corridor Project include community revitalization, economic development, recreational amenities, green spaces, environmental benefits, flood control, alternative transportation, public art, and signature Santiago Calatrava-designed bridges which will forever redefine the Dallas skyline.
